

NudeH2O Solutions LLC

FEDERAL CONTRACTING • PROCUREMENT • PROJECT EXECUTION

A U.S. small business supporting government agencies through commercial product sourcing, subcontractor coordination, logistics, and disciplined contract execution.

CORE CAPABILITIES

Commercial Product Sourcing

Requirement-driven sourcing of equipment, supplies, and commercial products from qualified manufacturers and distributors.

Subcontractor Coordination

Identification, qualification, and coordination of specialized service providers aligned to contract requirements.

Logistics & Delivery Oversight

Scheduling, supplier follow-up, delivery coordination, acceptance support, and issue resolution.

Facilities & Service Support

Prime-contractor coordination for recurring and project-based facility, maintenance, and support-service requirements.

Contract Administration

Documentation, schedule control, communications, invoicing coordination, and closeout support.
